PRODUCT OVERVIEW

Diamond Stainless Steel Polish is a premium water-based product that gives a Showroom Shine to Brushed & Polished Stainless Steel surfaces. Diamond Stainless Steel Polish has a high performance Anti-smear formula and it has a pleasant odor. Diamond Stainless Steel Polish it is water-based, it never leaves an oily residue. It is streak-free, fingerprint, water and dust resistant. Easy to use - just spray and wipe!

This ready-to-use, high-tech formula is perfect for cleaning and maintaining high-end, chrome and stainless steel appliances and surfaces found in modern kitchens. It both cleans and helps prevent smudges, streaks, and fingerprints. The non-toxic* formula sprays on and instantly wipes clean for a deep luster and doesn't build up on surfaces so it's perfect for everyday use.

PRODUCT APPLICATIONS

- Apply to any interior or exterior stainless steel surface
- Use at restaurants, bars, kitchens, counter tops, sinks, boat rails, stainless decks, cabin hardware and props
- Wipes clean with no build up, leaves a sparkling glow
- Do not use in any stainless steel cooking pots or pans
