PRODUCT OVERVIEW

For restaurant environments Klene N Gloss cleans and removes most stains and dirt found on various surfaces. Provides a thin barrier which aids in reducing contaminants from permanently engraining into the surface. Can be applied on multiple surfaces such as wood, vinyl, plastics, painted surfaces, stainless steel, chrome, veneer, ceramic, and a multitude of others. Aids in resisting finger prints, dust and dirt from permanently depositing.

PRODUCT APPLICATIONS

Exterior/Interior Walls:

- Spray on surface and wipe on/wipe off using 1-2 microfiber towels
- Wipe until surface is clean and all excess product has been removed to a polish
- Use regularly to reapply protection and reduce frequent deep cleaning
- Use on glass and mirrors to clean and repel finger prints
