Effective without any harsh or foul odor
Contains zero hazardous ingredients
Aids in reducing traditional washing time by up to 70-80%
Biodegradable - 3rd party bio tested. (Report is available)

PRODUCT OVERVIEW

Omni Clean is a light-medium duty, biodegradable surface cleaner formulated to quickly stains, grime, dust & debris found on various surfaces in the following environments; Play areas, waiting rooms, dining rooms, bathrooms and a multitude of residential, commercial & industrial environments.

PRODUCT APPLICATIONS

Exterior and Interior:

- Use to clean vinyl, plastics, painted surfaces, ceramic, wood, stainless steel, granite, fiberglass and most other surfaces.
- Removes dust, stains with no residue or odor.
- Removes stains from carpets and can be used in carpet extractors.

Flooring:

- Effective for thoroughly cleaning a variety of home, commercial & Industrial wood floors.
- Useful for removing tough contaminants found on indoor & outdoor flooring environments.

Recommendations For Use:

Although Omni Clean is a concentrate cleaner that can be diluted with water, we suggest spraying affected areas full strength. Once a desired cleaning effectiveness is achieved, Omni Clean can now be diluted with water at 25% increments until satisfied. Once Omni Clean is applied on the affected area, allow sufficient time for emulsification and loosening of the contaminants before wiping, mopping or scrubbing.

TECHNICAL DATA

VOC Content	0 Lbs
Grams Per Liter	0
Flashpoint	Non-flammable
Color	Clear
CA. Compliant	Yes

PRODUCT SPECIFICS

Item #	Size	Case Qty.
CCPCG067RQ	32 oz (0.946 ltr)	6
CCPCG067RI	1 gal (3.785 ltr)	4
CCPCG067R5	5 gal (18.9 ltr)	1
CCPCG067R55	55 gal (208 ltr)	1
